Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA activities related to these proposed actions.

Thank you!

*Valois*

**Subject:** Uranium mining by PowerTech

Dear Ms. Valois,

I am writing to express my concern about allowing PowerTech to drill for uranium mines in the Black Hills area. These mines could put the aquifers in the area at extreme risk for the entire region.

We need to do everything possible to protect our waterways for the protection of our citizens.

Please reconsider this permit.

Thank you
